

What is Zinio?

Zinio provides access to popular magazines via your computer or mobile device. The library subscribes to a customized library collection that you can check out using your library card.

Can I choose more than one magazine at a time?

Yes, you may check out multiple titles at one time. You are only limited by the titles in your library's Zinio subscription.

How long can I keep the magazine(s)?

There is no checkout period--you get to keep it as long as you like. When you are finished reading, you may delete the issue if you choose.

What if someone else has the issue I want to read?

There is no limit to the number of users who can check out a magazine at one time. Just remember to access Zinio from the Rancho Mirage Public Library to assure free access when you are adding more titles to your account.

Can I read a Zinio magazine offline?

Yes, if you are using Zinio on a portable device using an app. Open the Zinio app on your mobile device and select a magazine to download. When the download is complete, you can read that magazine offline. Only magazines that have been downloaded through the app can be read offline.

The free app is available for:

PC, Mac, iPhone, iPad, Android, Kindle Fire/HD, Nook HD/HD+, Windows 8, and Blackberry Playbook.

Can I print an article from a magazine I'm reading with Zinio?

Yes, printing is available on Zinio using a computer. Printing is not available from a mobile app.
